

FEROS GROUP

FEROS GROUP PRESS RELEASE

BUILDING HAS BEGUN ON A NEW KIRRAWEE VENUE

The Prince, opening late 2016/early 2017 on the Princes Hwy in Kirrawee, is aiming to set a new benchmark for the modest suburban pub.

Bringing a city style venue to the suburbs, The Prince will cater to all audiences from families through to public bar customers, with the objective of becoming the best suburban pub in NSW.

Designed by renowned architects Humphrey & Edwards (Chiswick, Opera Bar, Huxley's, Ugly Pizza), the 2,500 sq meter (approx.) venue will include a range of facilities to cater to a wide reaching audience.

Planned facilities include a substantial bistro featuring an exciting new food concept, a kids open play area incorporating parent seating, outdoor beer garden with retractable roof, public bar with great TAB facilities, as well as a gaming lounge.

In addition, The Prince will be one of the only venues in the Shire region to feature Tank Beer, the freshest draught beer available, as well as a wide range of boutique and classic beers.

"We are very excited to announce that building work has started on what will be a flagship venue for our Group", announced Chris Feros, the Feros Group's CEO and Director. "I've been overwhelmed by the positive feedback and excitement from the community about our new venue and am looking forward to welcoming locals and visitors alike when we open our doors in late 2016 / early 2017."

The venue will be open 7 days for lunch & dinner. For further updates please visit www.theprincehotel.com.au.
