Media Release:

Feros Charity Golf Day

Feros Hotel Group proudly supporting Arranounbai School

10 October 2018: Since 2013 the Feros Hotel Group has been running an inter-pub golf competition between their Sydney pubs. What started out as a social challenge, soon turned into an annual fundraiser where thanks to each of the venues' golf clubs, they've managed to raise over \$80,000 for various charities throughout the Sydney region. Staff from the group's venues join over 100 customers in the event, sponsored by suppliers. All the running costs are covered by Feros Hotel Group and 100% of donations go directly to their chosen charity.

This year, the golf day will be hosted by Terrey Hills Tavern & held at Mona Vale Golf Course on Friday 19th October with all funds raised being donated to Arranounbai School – a school catering to students with disabilities and medical conditions. 2017 saw a massive \$25,000 raised for Sutherland Shire special needs school, Bates Drive School and they are looking to beat that benchmark again in 2018.

Arranounbai School Principal, Stephanie Hopkins is delighted at being the chosen recipient. "Any funds received from the Charity Golf Day would go towards supporting the Arranounbai School Technology and Communication programs. We have many students at Arranounbai that are learning to use Eye Gaze devices to communicate. These computers cost approximately 10 to 14 thousand dollars each to set up with the correct software. The money raised would assist with purchasing further devices, updating software and funding staff support to work in one to one sessions with students to increase accessibility to more students."

In-line with the Feros Hotel Groups cultural ethos and strategic plan, their overarching community strategy is to support youth in our communities via two key initiatives: supporting children in sport (which has proven far reaching benefits for children and communities) and supporting children in need (focussing on the increasing issue of youth homelessness and families that require hospital services).

About the Feros Hotel Group: The Feros Hotel Group is a proud family owned and operated business that adheres to a strong set of principles and guiding values. We work hard to continually improve on all that we do, both inside and outside the walls of our venues. We have always held the values of family and community at the fore and believe that by extending our hospitality values to our communities, we've strengthened both our own culture and business, and the communities in which we operate.
